Content

Submitting you information

Please submit your content on the forms we provide by email or fax. You can use the form as a guide if you want to email the info to us which is preferred. Or type in MS Word, MS Publisher, or notepad, and attach in email. Flyers/ Forms / Brochures should be emailed or mailed.

Web links

Search Google for relevant websites that you may want to include like the city you serve, maybe the County, local school board etc. You may be surprised by what you can find.

Services

You can get some flyers from your office on your services or ask your Broker if they have any. You can sit down with your Broker or Manager and develop a list of services that you and your company have to offer. You just need a paragraph or two to start or we can design some flyers for you.

**Please note:
We may not be able to convert some file formats .**

Photo instructions:

Your Photos can be in any standard format Jpg / jpeg is preferred. There is a \$5 per photo charge for us to convert to jpg format from other file types. You can copy your photos to a disk and mail them to us or the best way is to email them to us. Please do not send more than 3 photos per email. If they are big photos (more than 500K) than 1 photo per email is recommended. You can see the photo type/size by mousing over the photo icon in the window explorer (going to my computer then to the folder where your photos are). Low resolution photos are ok(72 dpi) just not less than 150px by 100px.

For Website / Personal Info

If you can please rename your photos with your initials and number up. Like cr01, cr02, cr03 for the main pages. This is done by right clicking on the photo file and clicking rename. Use logo for your logo. Use your first name for your photo if you want it used.

For Virtual Tours

You should rename your virtual tour photos by the MLS Number, Owner Last Name or the Listing address number like 4739-a, 4739-b, 4739-c 4739-d, 4739-e, etc. (for 4739 NW 136 St). You can go to your MLS website if you already uploaded them or choose a listing that is ok to advertise and right click on picture and select save as to a folder in your pictures. Again please don't send more than three pics per email. For help you may call us.

Monthly maintenance and hosting fees are from \$50. Your virtual tour packages-website is hosted at our Master virtual tour portal called RoadsHome.com. Your web address will be very simple for you to use to link your virtual tours to all the other sites that display your listings such as Realtor.com.

Your free web address will be YourName.RoadsHome.com. "your name." Maybe anything you want, subject to availability. You also may purchase a direct domain name and use that for your virtual tour, the choice is yours.

This is a flexible marketing program that you can use for one very special home and highlight the amenities and extra features or neighborhood at the intro commercial and all the many home features separately from the main page. Therefore you could name your web address by the listing.

Automatic Billing

There is no contractual commitment for the hosting, you may cancel at any time with 2 weeks notice. However, automatic billing is required to be set up with a debit card or credit card for the package. You may choose to pay by check then billing is on a quarterly basis in advance (3 months). This is a proprietary program, and no other company can modify this website/virtual tour.
